

### Adjective Opposites- Drawing Games

#### Opposites pairs Pictionary

Choose a row from below (e.g. "big" and "little"). Draw both of the things on that row until someone guesses the words in both sides of the table below. If your partner can't guess correctly, continue drawing and then give them other hints such as a first letter or one of the two words. If they still can't guess what you have drawn, let them look at the whole list.

alive	dead
ancient/ old/ old-fashioned	modern/ new/ up to date

*Ask about any words above which you don't understand, drawing it to help explain or show your understanding each time.*

*Draw just one of the words above and see if your partner can identify that word, then draw and say its opposite.*

*Test each other on the words by reading out one and seeing if your partner can say the opposite above.*

### The wrong way round opposites drawing game

Choose one of the phrases below and draw that thing until your partner guesses both what you have drawn and what the (correct) opposite is (in other words what that thing should really be like).

#### Useful language for playing the game

“The... is/ has... It should be/ have...”

“The... is/ has... ...s (usually) are/ have...”
