

Adverbs of frequency bluffing card game

Instructions

Choose a (longer) adverbs of frequency card and a (shorter) true or false card, look at them without showing them to your partner, and make a true or false statement with the adverb that you have. They will ask you more details about that action, at which time you should continue to lie or tell the truth. They will then guess if you are lying or not.

Useful questions

Where/ When/ Why/ How/ How long do you...?

Who do you... with?

Why don't you...?

When did you last...?
