

Aptis Speaking Part Three- Longer Phrases

Use as many of the phrases below as you can to describe two pictures (from an Aptis test, from your company's website, from FCE Speaking Part Two, etc). The parts which are not underlined below can be changed to talk about other parts of the pictures, and the words in brackets are optional. Your teacher will tell you if you have a time limit (e.g. 45 seconds) or not.

Ask about any phrases above which you weren't sure how to use.

Without looking above, try to add words to each phrase below to make them longer (and so give more information about the level of similarity, differences, etc). Put an arrow where the words would go and then write them next to the line. Don't change any of the words below, just write what you can add.
