

Colours, Numbers and Classroom Objects- Pick & Draw

Make descriptions from the cards below, e.g. "two red teachers". You can then draw those things on a big picture of a classroom. Continue picking cards and drawing on the same picture until your teacher stops you.

one	two	three	four
five	six	seven	eight
nine	ten	eleven	twelve
<i>black</i>	<i>blue</i>	<i>brown</i>	
<i>green</i>	<i>orange</i>	<i>pink</i>	
<i>purple</i>	<i>red</i>	<i>yellow</i>	
<u>bag</u>		<u>bin</u>	
<u>book</u>		<u>bookshelf</u>	
<u>boy</u>		<u>CD player</u>	
<u>chair</u>		<u>clock</u>	

<u>door</u>	<u>eraser</u>
<u>girl</u>	<u>map</u>
<u>pencil</u>	<u>poster</u>
<u>ruler</u>	<u>table</u>
<u>teacher</u>	<u>whiteboard</u>
<u>window</u>	<u>cupboard</u>
-S	

Do the same with your own ideas, e.g. animals.

Describe your picture and then other people's pictures.

Say which picture you think is best and why.

Brainstorming stage

Without looking above, brainstorm this vocabulary:

Numbers

Colours

Things in classrooms

You can check the spelling of three words above. Then swap with another group and check their words. They get one point for each word which is in the right place and has the correct spelling.
