- The 2004 Indian Ocean tsunami was caused by an Indian nuclear weapon test.
- There were civilisations with advanced technology on earth thousands of years ago (which later disappeared).
- Jesus was an alien
- Jesus moved to Japan after his crucifixion.
- Jesus married Mary Magdalene and had children.
- AIDS was created by the CIA.
- Crack cocaine was created by the CIA.

*Answer: Even if you think some or all of the statements are true, they are all written as straight facts and so are far too sure to match our real level of knowledge.*

*Choose statements from above and change them to match your own level of (positive or negative) certainty or uncertainty, using the expressions below to help you if you like. Do your partners agree with the level of certainty that you chose?*

### **Mixed speculating phrases**

- almost certainly
- almost certainly not
- can't
- could (+ have + PP)
- could possibly (+ have + PP)
- might well/ may well (+ have + PP)
- might/ may (+ have + PP)
- must (+ have + PP)
- probably
- probably not

*Put the expressions above into order from the most probable to the least probable.*

*What kind of statements on the last page need "have +PP"?*
