

Countries and Nationalities- make me say Yes personalised questions games

Ask a Yes/ No question about one of the countries or one kind of thing or person from that place on that page. You will get one point if your partner (honestly) answers "Yes..." You get no points for "No..." and "I don't know" answers. Take turns asking such questions for points until your teacher stops the game.

Suggested questions

Personal questions

Are you interested in...?

Are you scared of...?

Are you...?

Can you cook...?

Can you remember...?

Can you understand...?

Can you...?

Do you like...?

Do you want to...?/ Would you like to...?

Do you have...?

Do you...?

Have you been to...?

Have you ever tried/ cooked/ tasted/...ed...?

Do you think...?

Questions about your friends and family

Is your...?

Does your...?

Has your...?

Does your... think...?

Ask about any places above you don't know. Your teacher will explain until you are able to answer a question about that place such as if you want to visit or not.

Test each other on changing place names to adjectives and adjectives to place names.

Play the similar games but without looking at the list of places and things on the next page and with one point for "No" answers (and no points for "Yes" answers or "I don't know" answers).

Play the similar games but without looking at the list of places and things on the next page and with one point for "I don't know" answers (and no points for "Yes" answers or "No" answers).

Places and nationality + things to speak about
