

Dates- Different or the Same?

Without looking below, listen to your teacher and raise the cards you've been given depending on what you think about the meanings of the numbers you hear. If you hear more than two, they are all the same or all different (i.e. there is not just one odd one out).

Label the lines below with S for the same meanings or D for different meanings.

Check your answers as a class.

Test each other by:

- Playing the same holding up cards game with the dates below
- Playing the same holding up cards game with your own questions
- Reading out a date and seeing if your partner can pronounce the same word another way

Pronouncing dates presentation and practice

Pronounce the dates below in at least one other way. Other pronunciations not on the worksheet may also be possible.

December the first	the second of the second
the thirteenth of July/ the thirteenth of the seventh	
two thousand and ten	two thousand two
today	tomorrow
the day after tomorrow	this time next week
this year	the year after next
the last day of April	the last day of August
the last day of December	the last day of February
New Year's Eve	New Year's Day
Christmas Eve	Xmas Day
Boxing Day	Valentine's Day
White Day	April Fool's Day
May Day	American Independence Day
Poppy Day in the UK	

Pronounce the dates below at least two ways. Other pronunciations not on the worksheet are also possible. The dates are all given day/ month/ year (British style). Put a question mark (?) next to any which you aren't sure about.

1 Dec	2/2	13/ 7
2010	2002	2001
2020	2018	1/ 1
31/12	24/12	25/12
26/12	14/2	14/3
1/4	1/5	4/7
11/11		

Check any which you weren't sure about with the first worksheet.
