

### Days and Dates- True or False Game

*Without looking below, listen to the thing that your teacher says and show if you think that it is true (= right) or false (= wrong) by:*

- Running and touching the true and false walls
  - Slapping the true and false cards (maybe before they reach the end of the table)
- or
- Holding up the true and false cards (or just your right or left hand meaning those things)

*Write T for true or F for false next to each of the sentences under the fold below.*
