

Favourites- Drawing Dice Game

Throw a dice three times and draw the sentence that matches those numbers in the tables below. Draw yourself for "My" and your teacher or partner for "Your". Make sure to draw the person or animal with a big smile to show that it is the thing is their favourite. You get one point for a correct picture within one minute, and one point if the picture is funny in some way.

Number on the dice	First throw
1	My favourite
2	Your favourite
3	The dog's favourite
