

**Feelings and Nouns- Pick and Draw Game****Instructions for teachers**

*Cut up one pack of cards per class or per group of two to four students, including or leaving out the “The”, “is” and “a/ an” cards depending on whether you want students to make full sentences like “The knife is angry” or just adjective plus noun pairs like “sad knife” or “a happy black cup”. You could also take out “ill” and “angry” cards so that you can cut off the “an” part of the “a/an” card. Students put adjectives and nouns together to be able to draw that thing, or to make their partners draw it if that would be more fun.*

<b>cold</b>	<b>hot</b>
<b>ill</b>	<b>sick</b>
<b>tired</b>	<b>sleepy</b>
