

I wish/ If only Guess the problem

Choose one of the situations below and say things you would think or say in that situation until your partner guesses what the situation is. Give other hints if your partner gets stuck, but don't say any of the words in the sentence below.

You can't play the guitar
You don't have a girlfriend/ boyfriend
You can't find a job
You can't move a box
You have a headache
You can't communicate with someone
You feel bored
Your team are losing a match
It's raining
You have an exam tomorrow
Your big brother bullied you
