

## Is there are there Xmas drawing coin game

Take turns asking Yes/ No questions about what you should draw in a Xmas scene with questions like those below. Your partner will flip a coin to see if you should draw that thing or not, with the sides of the coin meaning:

- heads = Yes there is./ Yes, there are.
- tails = No, there isn't./ No, there aren't.

When your teacher stops the game, ask about anything you don't understand, couldn't draw, etc.

Put one word into each gap, with the same word in the two gaps on the same line:

Is \_\_\_\_\_ an angel?/ Yes, \_\_\_\_\_ is./ No, \_\_\_\_\_ isn't./  
\_\_\_\_\_ is an angel.

\_\_\_\_\_ there a Xmas cake?/ Yes, there \_\_\_\_\_./ There  
\_\_\_\_\_ a Xmas cake.

\_\_\_\_\_ there any Xmas cards?/ Yes, there \_\_\_\_\_./ There  
\_\_\_\_\_ some Xmas cards.

\_\_\_\_\_ there any candy?/ Yes, there \_\_\_\_\_./ There  
\_\_\_\_\_ some candy.

Is there \_\_\_\_\_ Xmas tree?/ There is \_\_\_\_\_ Xmas tree.

Are there \_\_\_\_\_ decorations?/ There aren't \_\_\_\_\_ decorations.

Is there \_\_\_\_\_ music?/ There isn't \_\_\_\_\_ music.

Check as a class, then answer these questions:

- What kind of words go with "Are there any ...?"/ "There are some..."
- What kind of words go with "Is there any...?"/ "There is some..."

Look at another group's picture and try to describe it. You get one point for each true sentence, including true negative sentences.

Close your eyes and answer yes/ no questions about your own picture.
