

## Life Events Vocabulary- Speaking

### Life events vocabulary ask and tell game

Choose one of the cards below. Make a (personal or opinion) question about that thing and/ or using those words, then flip a coin. If you get heads (= the picture side) you can ask someone else in your group that question, but if you get tails (= the number side) you must answer your own question. In other words:

**Heads = Ask**

**Tails = Tell**

If the person who has to answer rejects the question (with “I’d rather not say”, “That’s a bit personal”, etc), they can’t make the next question. People can also ask follow up questions if they like, but you don’t have to answer extra questions if you don’t want to.
