

Like and Would Like- Make me say yes speaking game

Choose one of the things below that you think your partner does and enjoys or doesn't do but would enjoy and ask the right "Do you like...?" or "Would you like...?" question to get a positive answer. Note that you might need to change the grammar and/ or add words to make the thing below fit into the question that you want to make.

Useful language

Responses

Positive responses

Yes, I do. I love it.

Yes, I think so.

Yes, I'd love to.

Yes, I would. In fact I used to do that.

Negative responses

No, I don't.

I used to, but...

Actually, I never do that. (I used to though/ I would like to though).

Actually, I've never tried.

No, I don't think so. It's not really my kind of thing.

Actually, I already do that (sometimes/ often/ all the time).
