Hope you have good weekend.

Introductions to academic writing

Explaining the background/ relevance/ importance to the topic/ writing

Over last few decades, rural communities have had to cope with...

These days there are many issues with...

Giving your opinion

Although I can understand both points of view, I am quite a strong supporter of this idea in the majority of cases.

In my own opinion, this depends about the situation of the country in question.

Outlining the structure of the writing

I will discuss the both points of view below.

I will give three reasons for this in the paragraphs below.

Finishing academic writing

Summarising (the whole paper)

As has been shown above, there are arguments both for and against...

For summarize the views given above,...

Conclusion(s)

Despite the disadvantages given in the previous paragraph,...

Having looked for both sides of the argument,...

Implications of your conclusion(s)

Practical implications of this research include the need for...

Because this, in the future researchers should...

The body of academic writing

Avoiding personal pronouns

Readers this journal will probably be aware that...

In this paper, the author argues that...

Supporting your arguments

Advantages and disadvantages/ Looking at both sides

One of the main advantages for this approach is...

Moving onto the good points of this method,...

Comparing/ Contrasting

The most obvious difference between the two methods is...

The two approaches are almost the same than each other.

Explaining further/ Restating/ Rephrasing

Other words,...

In brief,...

Hedging/ Generalising/ Making general statements

Most people find that...

The majority participants reported that...

Quoting people/ Describing other people's experience and opinions/ Giving sources of information

Greene's ideas were set out in her seminal book How Animals Think.

The authors of this paper agree to Smith (1989, 89) when he says that...

Giving examples

To give example, you could write about scholarships and other awards.

Perhaps the best example of this is...

Logical arguments (reasons, causes, consequences, etc)

A major effect of this could be...

The main justification of this is...
