

Present Simple Ask and Tell Game

Instructions

*Pick a card and make any personal question from it you like, e.g. "How often do you eat candy?" with "candy", "Do you often do you forget birthdays?" with "forget" or "How much do you spend on make up?" with "make up". Another person will flip a coin. If you call "Heads" or "Tails" correctly you can choose one person to ask that question to, but if you call wrongly **you** will have to answer the question!*
