Part Two: Answering questions challenge game
Change groups. Your new partner will ask you a question from their list. Choose how many points you want the question to be. If you can answer the question, you will get that many points. If you don’t want to answer the question or can’t think of an answer, you can use the phrases in the Useful Language box below, but you won’t get any points.

Useful language - Politely refusing to answer a question

“I’d rather not answer that (if you don’t mind).”
“I’d rather not say (if that’s okay).”
“I’m afraid that’s (seems) a bit personal.”
