

Reading Exam Tactics Discussion Questions (IELTS, ToEFL, TOEIC and Cambridge exams)

*Discuss these aspects of the section of the reading that you did.
How much time should you spend on this part?*

What aspects does this task have that can help you complete it? How can you use those things?

What aspects does this task have that can make it difficult to complete? How can you tackle those things?

What should you do first?

What should you do next, and in what order?

What other tactics can you use?

What should you do if you are short of time?

What can you do if you have extra time?

Compare your answers as a class.

Do the same for a different part of the exam that your teacher will give you.

What things are similar and different to the part of the exam that you discussed above?

Use those tactics while you complete that reading task.

How can you best prepare for the reading exam (and those two parts in particular) outside of class?
