

### Reporting Verbs- the Same or Different

Listen to your teacher read out two or more sentences and hold up one of the two cards that you were given depending on what you think about their meanings.

Write S or D on each line below if the things have the same or different meanings. If there are more than two, they are all the same or all different. Ones with small differences are “different”.

Check with the suggested answers.

Find examples below of:

- reporting verbs with the same or similar meanings and the same verb pattern (e.g. both “+ someone to do”)
- reporting verbs with opposite meanings and the same verb pattern (e.g. both “+ doing”)
- reporting verbs with the same or similar meanings but different verb patterns

Test each other on the verbs:

- Play the same holding up cards game
- Play the same holding up cards game, but with your own example sentences
- Play the same holding up cards game, but with just the verbs
- Read out a sentence below that has one with the same meaning next to it, and see if your partner can rephrase the sentence without changing the meaning
