

**Weekly routines dice drawing game**  
**Present Simple questions and answers practice**

*Draw spaces for five days plus the weekend on the board or on some paper. Roll a dice twice to make a question about a weekly routine from the top table below. Your partner will roll the dice once to answer your question with the second table, then you should draw that in the correct place.*

1	What do the	boys	do	on Mondays?
2		girls		on Tuesdays?
3		spiders		on Wednesdays?
4		cockroaches		on Thursdays?
5		cats		on Fridays?
6		dogs		at the weekend?

1	They	read comics
2		watch television
3		play the piano
4		play computer games
5		go to the park
6		eat noodles

*When your teacher stops you, describe the pictures that you drew, or tick off the pictures as someone describes them.*

*When your teacher tells you to, put cards from the next page onto the tables above to continue the same drawing game with different actions.*

*Do the same without a dice, with a free choice of questions and answers.*

Extra cards to lay on top of the tables above
