

What were people doing- Past Continuous trivia quiz

Student A

Work in groups with one Student A worksheet and one Student B worksheet. Ask one of your questions, give three possible answers (including the correct one which is there) and see if your partner can guess the right answer. All three hints and your partner's answer must be full sentences like those below. Guess the answer to your partner's question in the same way, then take turns doing the same thing until your teacher stops you.

- What was Bette Nesmith Graham doing when she created correction fluid (like Tippex, White Out and Liquid Paper)? She was working as a typist.
- What was Spencer Silver doing when he invented Post It notes? He was trying to develop a strong glue.
